CONSCIOUS PARTICIPATION IN HEALING OUR PLANETARY WATERS

OUR MOTHER EARTH NEEDS YOUR HELP!

Along with many peoples all around the globe, and many water prayers this spring, we are
calling for a

MASSIVE GLOBAL EFFORT

*Our main intention for this healing is to return the waters to their original pure crystalline
blueprint, and to add to their abundance for the nourishment of ALL living things on the planet.*

Pray in your local waterways, at the rivers or lakes or streams. Or pray with a bowl of water in
the middle of the cities.

*“We are Water Babies. Do not to forget to say thank you every day for the water
you drink, the water you bathe in.*

Without our Mother water we would not survive.”
